Learning to Do by Doing

*4-H has helped me greatly
And 4-H has taught me, too
With my head, heart, health and hands
There's so much I've learned to do.*

*I have learned to set my goals
And to work hard to achieve
I have learned to make my stand
For the things that I believe.*

*I have learned how to be friendly
And learned how to be a friend
I have learned of independence
And I've learned how to depend.*

*I have learned to learn from others
And I've learned to just be me
I have learned cooperation
And responsibility.*

*I have learned about my project
And I've learned about myself
I have learned of the potential
Of my head, heart, hands and health.*

*Yes, 4-H has helped me greatly
And 4-H has taught me, too
When you learn to do by doing
You really learn what you can do!*
